

Approved Gateway Ancestors* who May Be Used to Join the International Genealogical and Historical Society

(compiled and updated by Alexander Bannerman)

(rev. 01/26)

This list contains the Gateway ancestors recognized as having royal descent. It also includes those colonial ancestors whose descent is “probable,” “highly likely,” or “almost certain,” but for whom additional evidence is sought. The list is compiled from Gary Boyd Roberts, *The Royal Descents of 900 Immigrants...*, 3 vols., (2018; rev. Baltimore: Genealogical Publishing Co., 2022), and will be updated from time to time, as appropriate and as time permits.

*See the list at the end of this table of the most commonly seen Disqualified Gateway Ancestors.
